**Anita's Report**

Anita passed out her monthly staff report. She had an enjoyable and productive trip to Houston where she was able to network with other youth workers. She learned from a fellow youth worker that conducting a church golf tournament could be an excellent fundraising event. The youthworker is going to send her planning material from their golf event. After discussion, Don agreed to discuss and research the idea with some fellow golfers at church.

**Calendar of Events - Reports:**

- National Cathedral Lock-in: Went well. Five of the Youth Leadership Board went with Anita

Don to check with Jon regarding the length of the current slideshow.
