

Christ the King Youth Committee Event Report

Event: Busch Gardens

Date: 15 August 2001

Location: Williamsburg, VA

Time: Departed church at 0730; returned home approximately midnight.

Attendance: 15 Youth and 3 Adults (see below)

Summary:

Ten High School youth, four Jr High, one 4th grader and three adults from Christ The King had an extremely good time at Busch Gardens. The objective was to have a fun day of fellowship which was successfully accomplished. Three cars were required. Fortunately a non-member friend of the high school girls (Kim Jappel) joined the group at the last minute and her mom agreed to drive/chaperone.

Lessons Learned:

The drive was 2 ½ hours and it took 45 minutes to park and get into the park so next time we should leave the church at 6:30 a.m. However, it would be better to go down the night before and stay at a retreat center. Take a digital camera. Perhaps encourage adults to join in and have a fun time too. Need to advertise the date before school lets out. Also, better ticket discounts can be obtained at the Navy recreation association via Craig McKay if planned well ahead of time.
