

Christ the King Youth Committee Event Report

Event: Daily Bread
Date: 27 December 2000
Location: Our Daily Bread, Leesburg, VA
Time: Departed church at 1600; returned 2100
Attendance: 7 Youth and 4 Adults (see below)

Summary:

Eight High School youth and four adults from Christ The King were in charge of Our Daily Bread. They seemed to really enjoy working together and serving others. The adults just provided supervision and some direction when requested with the youth doing most all the work.

Lessons Learned:

A service event during the Christmas vacation is good timing. For those not on vacation, it avoids conflicts with other extracurricular activities and gives the youth something meaningful to do.
