

## Christ the King Youth Committee Event Report

**Event:** Movie Night

**Date:** 10 November 2000

**Location:** McEwan's House

**Time:** 7:30 – 11:00

**Attendance:** 9 Youth and 1 Adult (see below)

### Summary:

Ten High School youth attended the first Movie Night. The McEwans graciously opened their home to the High School youth for a fun night of fellowship where the youth watched "28 Days" followed by discussion with Pastor Gysan. The ELCA website under youth ministries contains write-ups about movies and CDs which was used for leading the discussion.

### Lessons Learned:

Have group discussion immediately after the movie ends. I let the youth take a break after the meeting and it was hard to reengage them afterwards. The adult who will lead the discussion should watch the movie ahead of time.
