

Christ the King Youth Committee Event Report

Event: Thinking Expedition

Date: 22 – 24 September 2000

Location: Ocean City, MD

Time: Departed Friday @ 1700; Returned Sunday @ 1600

Attendance: 6 Youth and 2 Adults (see below)

Summary:

Six youth and two adults from Christ The King listed below went to Ocean City. They stayed in a rental townhouse of John Redmon who is a friend of Robert Rogowsky. The weather allowed the youth to go into the ocean and enjoy the boardwalk. They stayed up late watching videos. Sunday morning Robert led the bible study. This is an annual event providing go fellowship at the beginning of the school year.

Lessons Learned:

Not only does this provide an opportunity for the youth to bond but also for key adults to get to know the youth better.
