Summary:

Sixteen 3rd – 6th graders had a wonderful Valentines party at church on 11 February. Pastor Gysan opened the party with a few fun songs and shared the story of St. Valentine. Everyone then had an opportunity to make a special Valentine Card, a Valentine picture frame and Valentine magnet. After a break of pizza and punch, the youth enjoyed several Bingo games followed a by a cake walk. The event ended with smiles as the youth decorated their own Valentine cupcakes. Steffanie McKay organized the party as part of her Silver Star award for Girl Scouts. Pastor Gysan, Nichole Rogowsky and Steffi's parents assisted.

Lessons Learned:

Ordering pizza from Dominos was a major expense. Could save money by buying pizzas from price club and heating them up in the kitchen. The crafts were a big hit and kept the youth very busy and happy.
